

LEATHER Lanyards

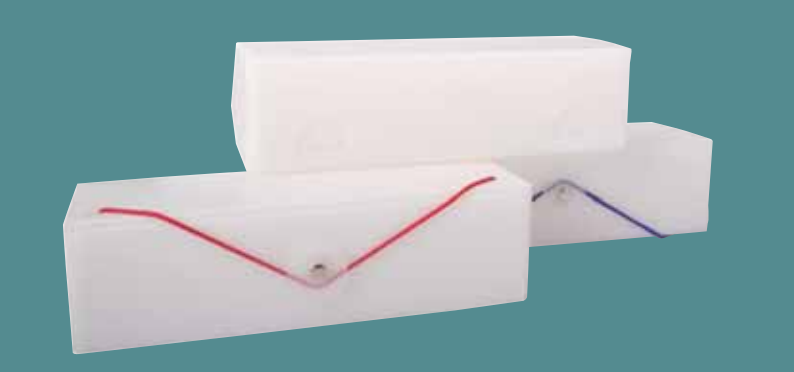

In the last couple of years lanyards have provided us with a new and exciting way of promotion. It's a piece of cake to promote your company on conventions, tradeshows, sport events, and concerts with a customized lanyard.

Today we offer you an improved, new, and stylish version of the 'good old' lanyard;

We offer you customized leather lanyards. Customizing can already be done starting from 50 pieces. You can use your own PMS color in leather from 500 pieces.

Prices are modest. Delivery times are short.

These lanyards have a stylish glamorous look and can easily be customized for your company. The lanyards can be composed of several attachments and accessories that, at your own choice, can be equipped with lightweight alloy hooks or clips that can be engraved or printed. Leather lanyards are the way of promoting your company in style.
